

Course — Module 06 — Think About It

1. How long does it take to become an expert? (10,000 hours?).
2. Can you learn to fly? (No, we don't have wings. Constraints!).
3. Why do musicians practice scales? (Basic building blocks).
4. Is it okay to ask for help? (Yes! That is using a Coach).
5. What is "Beginner's Luck"? (Random success, not skill).
6. Why do videos go viral? (Social Learning).
7. Can you learn while you sleep? (Your brain consolidates memory).
8. What is the difference between "Talent" and "Skill"? (Talent is natural, Skill is earned).
9. Why do we get frustrated? (Prediction Error is high).
10. If you practice something wrong, what happens? (You learn it wrong!).
