

Lab: The Family Crest

Goal

To make a symbol that represents your Family Brain (Values).

What You Need

- Paper or cardboard (Shield shape).
- Markers, glitter, stickers.

Steps

1. The Shield

Cut out a shield shape. Divide it into 4 parts.

2. The Values

In each part, draw something your family loves or believes in.

- Part 1: Favorite Activity (Camping?).
- Part 2: Favorite Food (Tacos?).
- Part 3: Make a Rule Symbol (Heart for Kindness).
- Part 4: Family Animal (Our Mascot).

3. The Motto

Write a sentence at the bottom. "The Smiths: We Work Hard and Play Hard." "The Garcias: Always Kind."

Discussion

- Why did we pick these things?

- Does this shield show who we are?
- Hang it on the fridge!

What We Learned

Our family has a unique identity. This "Model" helps us remember who we are and how to make choices.
