

Practice Quiz: The Family Brain

Part A: Reflect Together

1. **What is a Family Rule?** A) A secret code nobody knows. B) A shared agreement that helps us live together safely. C) A punishment.
2. **Why do rules change as you grow up?** A) Because parents forget. B) Because your "Model" gets smarter and you have more Agency. C) They don't change.
3. **True or False:** We should panic when we have a problem.
 - (False. We should Stop, Think, and Act).
4. **Which is a "Value"?** A) "We are honest." B) Pizza. C) A shoe.
5. **How can we think together?** A) By talking and listening to ideas. B) By guessing. C) By telepathy.

Part B: Discussion Questions

1. If you could make ONE new rule for the house, what would it be?
2. Why is "No Hitting" a good rule? (It protects the Agents!).
3. What is the hardest choice you had to make today?
