

Lab: Strategic Narrative Design

Objectives

Learning Goal: Construct and evaluate strategic narratives for different stakeholder audiences.

Part 1: Current Narrative Audit (10 min)

Audience	Current Narrative (what you tell them)	Is It Credible?	Evidence Backing It
Investors		Y/N	
Customers		Y/N	
Employees		Y/N	
Competitors (implicit)		Y/N	

Write your response here

Part 2: Signal Inventory (10 min)

Signal	Type (Credible/Cheap Talk/Ambiguous)	Audience	Intended Message

Write your response here

Part 3: Narrative Redesign (20 min)

Design an improved strategic narrative for one stakeholder:

Element	Design
Target audience	
Core message	
Supporting evidence (credible signals)	
Key action that backs the narrative	
How to monitor if the narrative is working	

Write your response here

Part 4: Competitive Signal Analysis (10 min)

Competitor Signal	Type	What It Tells Us	Our Response

Write your response here

Summary

Finding	Detail
Biggest narrative gap	
Most effective current signal	
Priority narrative improvement
