

Lab: The Token Shop

Goal

To practice **Earning** and **Spending** to reach a Goal.

What You Need

- 10 items (Paper clips, beans) to be "Tokens".
- 3 Toys or Treats (Price them: 2, 5, and 10 tokens).

Steps

1. The Menu

Set up your store.

- Small Treat: 2 Tokens.
- Medium Toy: 5 Tokens.
- Big Prize: 10 Tokens.

2. The Bank

You start with **0 Tokens**. How do you get them? **Action Menu:**

- Do 10 Jumping Jacks = 1 Token.
- Clean up toys = 2 Tokens.
- sing a song = 1 Token.

3. The Choice

Start working! Earn your tokens. When you have 2, do you spend them? Or save for the Big Prize?

My Savings Log

Action Done	Tokens Earned	Total in Bank
Jumping Jacks	1	1
Clean Up	2	3

What We Learned

You have to **Work** (Action) to earn numbers. You have to **Plan** (Save) to get the big things you want!
