

Lab: Chore Coupons of Love

Goal

To give the gift of Action (Service) to your family.

What You Need

- Paper strips.
- Crayons.
- Stapler (optional).

Steps

1. Brainstorm Actions

Think of things you can do to help.

- "One Free Hug."
- "I will set the table."
- "I will tell a joke."
- "I will clean my room (No asking!)."

2. Make the Coupons

Write the action on a paper strip. Decorate it with hearts or stars.

3. Give the Gift

Give the coupon book to a parent or sibling. Tell them: "You can use these whenever you need help!"

Discussion

- How did it feel to give help?
- How did it feel when they used a coupon?
- Action is a way to say "I Love You."

What We Learned

Small actions add up to a happy system. We have the power to make someone's day better by doing something kind.
