

Course — Module 04 — Think About It

1. What are you thinking about right now?
2. If you see someone crying, what does your brain guess happened?
3. How did Sally know it would rain?
4. Can you guess what you will have for dinner?
5. Why do you think the "Prediction Machine" is useful?
6. If you drop a glass on the floor, what does your brain predict will happen?
7. Have you ever made a wrong guess? What happened?
8. Do dogs think? What do they think about?
9. If you hear an ice cream truck music, what picture pops into your head?
10. Is dreaming a kind of thinking?
