

Lab: The Future Me Poster

Goal

To visualize your Future Self and plan the habits you need to get there.

What You Need

- A big piece of paper.
- Crayons or markers.
- Old magazines (optional, for cutting out pictures).

Steps

1. The Dream

Close your eyes. Imagine you are 20 years old.

- Are you an astronaut? A doctor? A dancer?
- Are you happy? Strong? Kind?

2. The Poster

Draw that person in the middle of the paper. Write "FUTURE ME" at the top.

3. The Plan

Around the drawing, write or draw the things you need to do to get there.

- "Eat Veggies" (to be strong).
- "Read Books" (to be smart).
- "Be Nice" (to have friends).

My Habits Log

My Goal	My Habit	Check if I did it today!

What We Learned

Planning connects Today to Tomorrow. Small actions everyday turn into big results later!
