

Course — Module 06 — Think About It

1. Why did the chicken cross the road? (To learn what was on the other side!).
2. How many times did you fall off your bike?
3. What happens if you never try anything hard? (You never learn anything new).
4. Why do erasers exist? (Because everyone makes mistakes).
5. Can you learn to speak Dog? (Maybe! With observation).
6. How do babies learn to talk? (By listening and copying).
7. Why is practice boring sometimes? (Repetition builds the brain road).
8. What is the hardest thing you ever learned?
9. Can you un-learn something? (Yes, bad habits).
10. If you could learn anything instantly (like in The Matrix), what would it be?
